

2009 Report of Pacific Yearly Meeting Holding Corporation to Pacific Yearly Meeting

Pacific Yearly Meeting Holding Corporation continues to hold money and stock for Pacific Yearly Meeting and its Monthly Meetings. This year \$50,000 was granted from the San Fernando Valley Meetinghouse Fund to San Diego Monthly Meeting for the on-going construction of its Meetinghouse, which, as part of a Historic Peace Church Peace Center, will share space with Mennonite and Brethren Churches, and the American Friends Service Committee.

There is \$170,000 in cash and an \$80,000 mortgage remaining from the 1996 sale of the San Fernando Valley Meetinghouse. Requests for more information will soon be sent to the Meetings that have requested support from the San Fernando Valley Meetinghouse Fund this year so that more decisions about grants may be made by the end of the year. Another round of requests and grants will occur next year.

Faithfully,

Lanny Jay
Clerk of PYMHC
